 Friday March 15th 2019

GOLF REGISTRATION

Metro Phoenix PHCC is a Not for Profit organization. Funding for organizations like ours must come from the community we serve.

In 2018: We Supplied members with information, trends and resources on technology, business management and workforce development via our new *Solutions* magazine, available free to members in both print and digital versions.

- Metro Phoenix PHCC Apprenticeship Plumbing Program.
- Metro Phoenix PHCC Code Classes
- OSHA Classes
- **Metro Phoenix PHCC Provides and gives the City of Phoenix Journeyman Plumbing and Mechanical Licensing Exam.**
- Rolled out a new online Technology Business Interest Group portal, where members are connecting, accessing information, and sharing best practices and latest trends, helping them diversify and grow their businesses.
- Partnered with Harrison Publishing House's CINX platform to launch the PHCC Labor Unit Database, giving members a way to simplify their estimating process, prepare accurate bids, and become more efficient and profitable.
- Attracted more young people to the skilled trades with a new career website and two new videos, including a 50-second, youth-oriented career clip that gives potential workers "6 reasons to find your career fix." (More than 50,000 people already have viewed this latest video, which also illustrates the power of PHCC's enhanced social media efforts this year!)

The golf Tournament is a wonderful opportunity for the entire Plumbing, Heating & Cooling Community to get together.

Through Business Education, Plumbing & HVAC Training programs, Metro Phoenix PHCC helps improve our industry and our community
